Offering a friendly basketball, baseball, soccer, football, in-line or ice hockey skills, lacrosse, curling, volleyball, or golf competition may be just what your Club needs to serve your community's youth. The Tri-Star program enables your Club to run one or several successful sports skills contests efficiently and with as little manpower as possible. More than 1,000 Optimist Clubs across North America currently participate in or sponsor sports leagues or teams.

Similar to a punt-pass-kick skills competition, the Tri-Star Sports Skills Contests are the perfect way to bring together the youth of your community in a spirit of fun competition. Each skill offers exciting opportunities to promote self-confidence and physical fitness, even if your Club has limited resources. Because this program does not involve physical contact or advanced skills, it is an ideal activity for every child, even those who may be physically challenged.

Tri-Star Sports Skills Contests are designed for youth ages 8-13, and test three skills in the sport of your choice:

- Baseball:** Base-running, Hitting, and Throwing
- Basketball:** Dribbling, Passing, and Shooting
- Football:** Passing, Place-kicking, and Punting
- Soccer:** Dribbling, Shooting, and Throwing
- Hockey:** Shooting, Skating, and Stick-handling
- Lacrosse:** Throwing, Catching, and Scooping
- Curling:** Drawing, Hitting, and Scoring
- Golf:** Drive, Chip, and Putt
- Volleyball:** Serving, Passing, Hitting

Optimist Childhood Cancer Campaign (CCC)

“Providing the Care, Finding the Cure”

What is this program?

Cancer has resulted in more deaths among children than any other disease. Optimist International has developed a program suited to the strengths and resources of its members. Clubs and Districts have the opportunity to provide assistance and services directly to children receiving treatment for cancer, their care partners and service providers, as well as contribute to ongoing research efforts.

What is the focus of this program?

Optimist International is committed to being the leading force to rid the world of childhood cancer. In December 2009, Optimist International met a \$1 million commitment to establish the Endowed Research Fellowship at Johns Hopkins. The organization has pledged an additional \$500,000 to fund and create the Optimist International Innovative Research Fund at Johns Hopkins. To donate to this worthy cause, please send funds to the US Optimist International Foundation and designate they are for “childhood cancer research” on the check memo line or in an attached letter.

Optimist Clubs and Districts sponsoring CCC projects may apply for a matching grant from Optimist International to maximize the impact made on childhood cancer patients, their families and their healthcare providers. An application can be found on the Optimist website at www.optimist.org/ccc.

How can I get involved?

Optimist International annually hosts an organization-wide walk to promote childhood cancer awareness and raise much needed funds. All Clubs are asked to sponsor a CCC Walk during June, Optimist International Childhood Cancer Awareness Month. This show of unified support will demonstrate the organization’s mission to “be the leading force to rid the world of childhood cancer.”

TAKE PRIDE IN YOUR CLUB'S WORK

Your Club can help Optimist International improve the quality and effectiveness of the International Programs and Community Activities that our great organization provides to young people in the United States, Caribbean, and Canada. All it takes is for your Club Officer to complete the Club Pride Report and submit it to Optimist International. The report provides a wealth of information that shows which programs and activities Clubs are participating in and which ones may need to be reviewed to encourage participation.

Why Optimist International NEEDS Your Club's Input:

While submission of the President's Pride Report is a requirement for both Honor and Distinguished Club, this information is needed from ALL Clubs to ensure that our programs are meeting the needs of Optimists and the children they serve throughout the organization. Optimist International is trying VERY hard to obtain sponsorship and grant money from other companies and organizations to help support our efforts. Without the information obtained from your Club Pride Report we cannot explain who and what we are. So PLEASE make sure you submit this form each and every year!

How to Submit:

The 2015-16 report can be filled out online at www.optimistleaders.org or printed and completed by hand at www.optimist.org. There are a few demographic questions about the size and age of your Club. The report also asks officers to indicate which projects your Club has conducted, what organizations you have partnered with and the fundraisers you have held during the Optimist year. You will be asked how many children you have served, the cost of your activities and whether funds were distributed to other charitable organizations.

Your Club Officer can enter and change information on a periodic basis by clicking on the "Save" button. When the form have been entirely completed, an Officer should click on the signature button and then click "Submit." Once your Club Officer has clicked "Submit," no changes can be made to the form.
