

Optimist International will require that any candidate or appointee being considered for an International Office (President-Elect, Vice President-Elect or Board of Director) authorize a criminal history background and public records check as part of the eligibility criteria to hold that office. Optimist International will require that any candidate for the International Office of President-Elect authorize a credit check as part of the eligibility criteria to hold that office.

Successful completion of the background and public records check (a “clear check”) is based on verification that none of the convictions stated in Procedure or similar thereto have been determined for that person. For specified officers, a clear check is necessary to be an eligible candidate and thus must be completed before elections are held or appointment is made.

In the United States, Optimist International recognizes only its own criminal history background and public records check, process as valid. All reports shall be confidentially secured by the Chief Financial Officer and reviewed and evaluated by the Candidate Qualifications Committee to determine if whether clear or not clear, based on the criteria stated in Procedure. An individual may receive a copy of his/her background and/or public records check by requesting it in writing.

Canadian and Caribbean candidates will secure their own checks and submit original copies to the Candidate Qualifications Chair. The International Board of Directors shall be advised if a report pertains to an officer or officer-designate and that:

- A. Indicates a problem or concern that requires further investigation; or
- B. Is determined to be not clear and thus causes automatic denial of the right to hold office.

In either case, the Candidate Qualifications Chair shall notify such person.

Background and public records checks are valid for a period of two years. All relevant persons who have not had a clear criminal history background check conducted and verified by Optimist International within the past two years at any given time are subject to a new check.
