

New Club Sponsor - Definition of

I-6

Active sponsorship of a new Club involves the participation of the sponsoring Club's members in the selection of and regular contact with the nucleus of the charter roster, guidance through preliminary steps and attendance at a majority of the pre-organizational meetings. For purposes of sponsorship credits and awards, the sponsor Club President(s) or his designated representative (a sponsor Club member other than the Lieutenant Governor) must attend the official organization meeting and complete the follow-up requirements and any other requirements as specified in the New Club Building Guide.
